

THE SUPER DENTISTS™

Wake up everybody! Don't want to be late!
I'm getting my braces, today is the date!

THE SUPER DENTISTS™

Let's get there real early, I'm ready to go!
The waiting room has lots of games don't you know!

THE SUPER DENTISTS™

Then Dr. **HaveOneSuperSmile** will take me and say
Sit down, watch TV and we'll be on our way.

THE SUPER DENTISTS™

He's cool and he came on a rocket that talks
But the coolest is getting some braces that rock!

THE SUPER DENTISTS™

Powered by NASA a Rocket made these,
Engineering my smile, perfection indeed.

THE SUPER DENTISTS™

It's easy, he told me...it's like 1-2-3
And the movement will take less time, you will see!

THE SUPER DENTISTS™

So I will show him my teeth and my beautiful face
And our secret will be that my smile's from space!
