Dr. Kami Hoss and The Super Dentists Open Sixth Office in Escondido

Newest location serves kids, teens & parents and features one-of-a-kind slide

San Diego, Calif. (Jan. 20, 2020) – [Dr. Kami Hoss](#) announces the opening of its much-anticipated, sixth location, in Escondido. The new office, located at 390 West Valley Parkway, is now open for business and taking appointments.

The Super Dentists mission is to reinvent and transform dentistry. Since 1996, [Dr. Kami Hoss](#), DDS, MS and his wife and business partner, Dr. Nazli Keri, DDS, have built The Super Dentists into the largest, most trusted and top-awarded pediatric dentistry, orthodontics and Parent Dentistry practice in San Diego. Everything they do is centered around kids. All of their dentists are specialists in pediatric dentistry, and The Super Dentists use the latest in dental technology to make children’s dental visits more comfortable. Its superhero-themed offices feature lounges with games and movies, all created with the goal of creating positive associations with going to the dentists.

The Escondido location will feature the first-ever Super Slide for kids (and adults) so they can slide from the main pediatric level to the lower VIP level where there is a separate lounge and treatment area for teens and parents. Teens and parents receive their own amenities like massage chairs, complimentary childcare, aromatherapy and customized lattes.

“Escondido is an amazing community and we’re excited to introduce Escondido families to an out-of-this-world dental experience,” said [Dr. Kami Hoss](#), co-founder of The Super Dentists. “We look forward to being a good neighbor and will continue to seek out more opportunities to connect with the Escondido community.”

In the last six months, The Super Dentists has sponsored and participated in Escondido’s Grand Avenue Festival, sponsoring the Children’s stage; sponsored the Escondido Chamber of Commerce’s “Community in Unity” event over the holidays and is working on a partnership with Ice-Plex. They also teamed up with the San Diego Children’s Discovery Museum in Escondido on *Grin Land!* (open through 2/28/20) an exhibit that shows kids that a visit to the dentist is not so scary. Fun, interactive displays include life-sized tools and props (including giant floss, teeth and toothbrushes), a reception desk, special meet-and-greets with The Super Dentists ToothKeri character, and educational activities.

The Super Dentists will be hosting special story times with the ToothKeri at the Museum:

- Wednesday, Feb. 5 at 10am
- Friday, Feb. 14 at 12pm

The Super Dentists are passionate about kids and education and will be offering complimentary dental hygiene presentations to Escondido schools. The 30-minute presentations feature puppets and visual aids

and are appropriate for Pre-K through fifth grade, plus each child receives a goody bag to take home. Teachers can schedule their complimentary presentation by emailing schoolrep@TheSuperDentists.com.

The Super Dentists Escondido will also host a grand opening celebration for the community (open to the public) this spring. The event will include a "Free Dental Day," where The Super Dentists provide complimentary dental exams to children in need. Date and time for these events will be announced soon.
